

GLENWOOD—ARBOR—RIDGEWOOD IMPROVEMENTS—2015

Client: Village of Glen Ellyn

DESCRIPTION OF ISSUE:

This project was part of Glen Ellyn's street rehabilitation program. Glenwood, Arbor and Ridgewood were totally reconstructed with new curb and gutter. New water and sanitary services were provided to all residents. The project also included storm sewer and water main installation and spot repairs to the sanitary sewers.

REMPE-SHARPE PROVIDED:

- ◆ Coordinated with Village Staff and Contractor Daily
- ◆ Construction Inspection
- ◆ Daily Recordkeeping of Activities
- ◆ Inspection of Materials for Compliance with Contract
- ◆ Measurements and Calculations of Quantities Used
- ◆ Prepared "As Builts" upon Project Completion.

PROJECT HIGHLIGHTS

The project was completed on time with minimal complaints from residents. The upgraded facilities, road, water, sewer and sidewalk were an enhancement for the neighborhood and the residents.

Construction Cost: \$3.3 Million
